

COMPLETE BENEFIT AND CLAIMS ADMINISTRATION

Crescent Health Solutions provides employers with complete third party administrative and benefit services that encompass all functions of self-funded, employer-sponsored health benefit management, including claims adjudication and comprehensive member support services.

Crescent Third Party Administrative Services Include:

- Benefit Design & Engineering
- Plan Document Origination and Amendments
- Claims Adjudication
- Risk Management (Reinsurance)
- State and Federal Regulatory Compliance
- COBRA / HIPAA Compliance
- Claim Cost Containment
- Flexible Benefit Administration (HRA, HSA, FSA)
- Member Support Services
- Analytical Plan Modeling & Reporting
- 5500 Reporting Assistance
- Consultative Reform Guidance

Crescent Health Solutions benefit and claim administration is balanced with the clinical expertise of local area health care providers to help detect and prevent fraud, waste and abuse. Crescent's extensive clinical understanding of claims and care accountability is used to help employers design and manage effective benefit packages that reduce costs without sacrificing care quality.

CHS is Reform-Ready

Crescent Health Solutions is constantly staying in-step with the changing healthcare landscape including legislative and reform issues.
