

## CAQH TO UNIFORM APP

The best way to pull a CAQH replica including all the provider's information is to do the following:

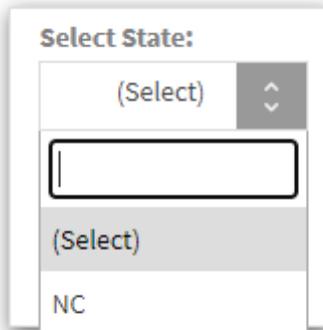

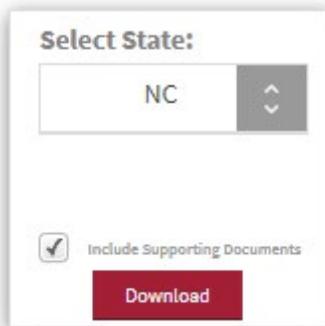

1. Click the option, Review & Attest, once ready to pull the CAQH State Application Replica

2. It will then take you to another page and show the option to Download Your State Application:

3. Then select which state and if you would like supporting documents or not. Including supporting documents will include their licenses from current and years prior.

A dropdown menu titled "Select State:". The selected option is "(Select)". Below the dropdown is a search input field. Below the search field, the option "(Select)" is highlighted in grey, and "NC" is visible below it.A dropdown menu titled "Select State:" with "NC" selected. Below the dropdown is a checkbox labeled "Include Supporting Documents" which is checked. At the bottom is a red "Download" button.
